

STAY CONNECTED. CAMPUS WI-FI GUIDE

Seamless Internet. Smarter Campus Life.

Follow these easy steps and tips to get connected and stay online without hassle.

GET STARTED

1

REGISTER ONLINE

Scan the QR code and fill the online form with all required details for Wi-Fi registration.

2

WAIT FOR ACTIVATION

Your account will be activated within 24 hours. Username and password will be sent to your registered mobile number. (Please provide active numbers on the CAF.)

3

YOU'RE ALL SET!

After the first successful login, your device will be registered on our server. You can access the internet without logging in again.

The login page will open automatically. Enter your login credentials to connect.

QUICK TIPS

CONNECT WISELY

Turn ON Wi-Fi on your device and connect to the strongest iBUS signal available.

PRIVACY MATTERS

Turn OFF Random Hardware address (on Windows 10/Apple devices) and Private/Random MAC address (on Android & iOS) in Wi-Fi settings to prevent MAC validation errors.

KEEP IT TO YOURSELF

Do not share your Wi-Fi password with anyone. Sharing or using others' Wi-Fi IDs is strictly prohibited and illegal.

STAY UPDATED

Keep your laptop updated with the latest Network Drivers and Antivirus software.

DEVICE LIMIT

You can register up to **THREE** devices with one Wi-Fi account. You can remove a registered device via our helpdesk or customer care if needed.

SMOOTH ACCESS

Keeping Wi-Fi ON on more than two devices at the same time may cause disconnection. Use it on a maximum of **TWO** devices simultaneously.

IMPORTANT INFO

PLAN: 15 Mbps speed with unlimited upload/download data per month.

DEVICE LIMIT: Maximum 3 devices can be registered. Simultaneous usage allowed on 2 devices only.

BILLING: The plan will be auto-renewed on the 1st day of every month.

MANAGE DEVICES: You can reset or remove your devices from our website / mobile app.
